

# Emergency Services First Responder ID Form

**Each Cattaraugus County First Responder will be issued two (2) ID tags:**

**Identification Tag:** Color will depend on the qualifications of its recipient.

Red: Interior Firefighter

Orange: HazMat

Yellow: Exterior Firefighter

White: Fire Police & Auxiliary

Blue: Emergency Medical Services only

White: MRC & CERT

**Accountability Tag:** Green in color, used to account for the responder during response.

*Members of multiple agencies will receive an Identification Tag for each agency, but only one Accountability Tag will be issued. This is for safety so that the individual can only check-in at one event at a time.*

There are 3 instances in which you may be issued first responder ID tags:

**1. New member/ never received ID tags before.**

The new member should first contact their Fire Chief for instructions on receiving new tags. Tags can be issued directly from the Office of Emergency Services in Little Valley between 8 a.m. and 4 p.m. on most weekdays; call (716) 938-2212 to setup an appointment before you come to the office.

**2. Updated tags due to a change in your name, FD, training, or qualifications.\***

In most cases, if you already have a set of first responder ID tags, new tags can be issued without you coming to our office, if you so choose. We do require that your old tags are turned in to us (mailed or dropped off) prior to issuing a new set of tags which can be mailed back to you.

**3. Tags lost, stolen, or damaged and replacement tags are needed.**

If you already have/ had a set of first responder ID tags, replacement tags can be issued without you coming to our office, if you so choose. All old tags in your possession must be turned in to us before new tags are issued.

Complete the form below. For new ID tags, bring this form with you. For updated or replacement tags, mail this form to Cattaraugus County Office of Emergency Services, 303 Court St., Little Valley, NY 14755 only after calling (716) 938-2212 to ensure we can process your request by mail. Thank you.
